

Lym Valley Croquet Club**Mowing Rota 2023**

1. The member on mowing duty will be responsible for ALL the lawns (Briault and two Outfield) during their week in charge (Saturday to Friday).
2. Only one person is nominated for each week; if you want an assistant, it is up to you to find one. This can be a member who is not on the rota, if you wish.
3. If you can't manage it on your nominated week, it is up to you to find a replacement.
4. If you need advice on how to work the mowers, please call on Richard Godfrey.
5. The mower for the Outfield lawns is kept in the Old Pavilion; the mower for the Briault lawn is in the mower shed.
6. You can mow any day you wish within your week, but it's best to check the Calendar and make sure you mow before competition days. In the high growing season, lawns may need to be mown 2 or 3 times a week.
7. Check fuel and oil before you start mowing. Report shortage to Richard Godfrey.
8. Leave the mower properly cleaned after you have used it.

| Week | Dates | Duty Mower | Assistant (Duty Mower's choice) |
|------|----------------|--------------------------|---------------------------------|
